# Inaugural Australian Custodians Meeting

## EVERYONE WELCOME World Environment Day

5th June, 2007

Botanic Gardens Sydney, Australia

Herb Garden: 12:30pm - 2:30pm

With respect and gratitude to the original Custodians of the sacred land of Sydney, the CADIGAL, and EORA, we invite you to claim your place as a joint custodian of the Earth.

The inaugural Australian Custodians Meeting, will be held in the Botanic Gardens on World Environment Day, June 5th, 2007. This is the first in a series of Custodians meetings unfolding around the world. The purpose of the inaugural meeting is to **celebrate** the EARTH, **honour** the Custodians who walked before us, and **welcome** the community home to the gifts and blessings of being a Custodian.

This is the perfect opportunity to explore how you can share your talents, skills, and creativity to co-create a vibrant, healthy, ecologically sustainable Australia. Custodianship is the foundation of the **Natural Solution Global Action Plan**© (NSGAP) and the Australia Country Challenge.

Join us for a nourishing afternoon of wisdom, inspiration, and laughter. Please bring an open attitude, happy heart, and food to share!

The event is organised by Coreis founder, Kathleen Earle and CEO Dr Robyn Lui.
