Custodians Garden™

EARTH HOUR IS OVER, NOW WHAT?

You can walk into the most **POWERFUL, POSITIVE & LIFE ENRICHING social change on Earth.**

HAPPY PLANET 2020 EcoSocial™ Action Plan.

This is an exceptional opportunity to give and receive at the same time. Learn HOW to actively co-create an EcoSocial Lifestyle that enriches the quality of life on Earth, NOW and for generations to come. You are invited to become a member of Custodians Garden - core partner of the Happy Planet 2020 Action Plan.

EVERY HOUR IS EARTH HOUR in the Custodians Garden so when you become a member every action you make is naturally GOOD for the Earth, GOOD for your Loved Ones, GOOD for your Business, School, Organisation, and GOOD for You. Connect with visionary individuals, entrepreneurs, businesses and philanthropists. Walk with the land and experience the ever growing benefits of practical wisdom from the creator of EcoSocial Living, EcoSocial Enterprise and Happy Planet 2020 - founding director of Custodians Garden - Kathleen Earle and the Custodians Garden team.

Custodians Garden Members receive:

- Regular EcoSocial news, interviews and exclusive member events, life-enriching learning opportunities to create an EcoSocial Lifestyle and make the shift to EcoSocial Enterprise.
- Access to EcoSocial buying, selling and exceptional products and services from our Eco-shop so you can actively co-create an ecologically sustainable economy that nourishes the whole Planet.
- Description of your Business, Organisation, Community or School in the Global Village directory.
- Life Members also have the opportunity to become Country &/or Global Partners of the Happy Planet 2020 EcoSocial Action Plan and participate in wonderful EcoSocial projects all over the world.

Start now and enjoy the practical benefits of EcoSocial Living.

1. Download & print a copy of the **Happy Planet Charter** for your home, office, and school.
2. Learn about the **HAPPY PLANET 2020 EcoSocial Action Plan.**
3. Join the **Global ALIVE ON PURPOSE™ ADVENTURE** (as an individual or sign up your team) and learn HOW to create an ecologically sustainable foundation for personal, business and planetary wellbeing.

There are so many treasures in the Custodians Garden and the rewards grow as you so read our web-site and member section with care, and check out what is happening in a village, hamlet or city near you!

Custodians Garden is the home of EcoSocial Living, an inspirational place of connection, replenishment and learning where people of all ages, places, faces and vocations come to experience the fruits of an EcoSocial Lifestyle. Among the first EcoSocial Enterprises on Earth, Custodians Garden is a practical example of the future of business and the natural success that arises when we live in harmony with life and each other.

This is the perfect time to join us in bringing the HAPPY PLANET 2020 vision to reality.
